Math & Science!

Discover an Engineering Career through Exploring Activities

- Field trips to construction and industrial sites
- Community service
- Engineering challenges
- Soldering
- Skiing in Gatlinburg
- Meeting local engineers

Our goal is to get high school age students excited about their future in engineering by introducing multiple engineering disciplines and activities.

Open to high school students at least 14 years of age who have completed 8th grade. Membership is \$30 (\$25 if paid in October) for the entire school year, which includes all project supplies.
